Christmas Greetings

Car Owners May Apply by Mail for 1945 Licenses

Motor vehicle owners of Daly City may save precious gas and tires by mailing applications for 1945 registration renewal to the Department of Motor Vehicles.

Director Gordon H. Garland announced today mail applications accompanied by the correct fee and proper papers are being accepted now but made a special request that no currency be sent in payment of fees.

Renewal fees and the 1944 Registration Card should be mailed by Daly City vehicle owners to the Department of Motor Vehicles, 160 South Van Ness avenue, San Francisco.

Because of the danger of losses in transit and handling, Director Garland said the department will not assume responsibility for currency forwarded with applications. He advised the use of postal, express or bank money orders, certified or cashiers checks instead of cash. Personal checks are not acceptable.

The correct amount of the fee due is shown on the lower left hand corner of the 1944 Registration Card which should be forwarded with the fee and show the aplicant's present address. Applicants who have moved should cross out the old address and print in the new with ink.

Over-the-counter applications will be received January 2. Fees become delinquent February 5.

New Year Party Planned by Group

Plans are in the making for a gala new Year's eve party, December 31, at the Daly City Teen-Age center, No. 5 firehouse, Oliver and Bellevue. Only members with cards will be admited, the committee stresses. Gay decorations and tasty refreshments will add to the evening's success.

During the evening, two contests will be held, one of Jitterbug dancing and one for slow dancing. Prize in each instance will be $2.50.

Friday night, December 22, a regular dance for the high school crowd will be held at the center.

Last Friday night, December 15, there was a good turnout of teen-agers for the weekly dance. Patronesses were Mrs. Hazel Emerson and Mrs. E. J. Rowe.

THE WORLD has gone through alternate periods of light and darkness -- of progress and retrogression. Yet through all times Christ's spirit has shown as bright as the very star of Bethlehem. In the spirit of his teaching let us go to Church on Christmas morning . . .

Let us pray. Because in no other way can we commune with the Lord. Because in no other way can we bring to life true faith and a capacity to meet tribulation. Because this is Christmas, when all men must pray for peace on earth!

In religious belief can be found solace and sustaining strength such as no other human characteristic can provide.

Internal Revenue Office Sets Up Department To Handle Refunds

Approximately 30,000 refund checks, totaling $1,300,000 on 1942-1943, income tax over payments were mailed to persons of the First California district from the San Francisco office in November, Collector of Internal Revenue Harold A. Berliner said, this week, in San Francisco.

Recently the processing division in New York, returned to all collection districts, 1942-1943, refund accounts, for review in the district in which the returns were filed.

It was necessary for the San Francisco Internal Revenue office to establish a new department in order to review the refund returns.

Collector Berliner summoned to San Francisco deputy collectors from nearby Internal Revenue offices to assist in the task.

At the present time the San Francisco office is short 200 employees. Especially are typists and business machine operators needed to complete the refunding of over payments on 1942-1943, income tax returns on schedule.

It was pointed out that all money held by the government as over payments on 1942-1943, income tax returns, draws 6 per cent interest from March 15, 1944, until the refund is approved and the check is made out for the person to whom the money is owed.

Collector Berliner estimates that unless additional help is obtained the payment of refunds may be delayed longer than expected.

Eleven Daly City People Donate Blood This Week

Eleven local residents were donors at the Red Cross Blood Donor center, Julia Beylard hall, San Mateo, Thursday, December 14, according to Mrs. Ruth Morris, Daly City chairman, who arranged transportation for the group.

They were: Mrs. Ruth Clark, seventh donation; Mrs. Jean Janssen, sixth; Mrs. Sylvia King, fourth; Mrs. Rose Sweeney, second; Mrs. Edith Claussen, first; Mrs. Mary Crane, first; Mrs. Arline Johnson, first; Inez Jones, first; Mrs. Elmer Leger, first; Dorothy Pike, first; Walter Pope, first.

There will be no more trips in December to the San Mateo County Red Cross Blood Donor center. Four dates are set for next month, January 6, 11, 20 and 25.

Anyone planning to give a pint of blood for this important cause (it may mean a serviceman's life) in January should make advance reservations with Mrs. Morris. This may be done by telephoning DElaware 6435.

All trips next month will be made at 9:30 a. m. from McGraw's pharmacy, 6300 Mission street.

Six Safety Rules on How To Enjoy a Merry Christmas Season

Fire Chief Andrew P. Chesney urges Daly City residents to avoid fire hazards during the Christmas holidays. Pointing out that accidents mar the Yuletide, he advised precaution as the best method to avoid them.

Here are a few of the more common safeguards:

1. Be sure the tree is a safe distance from fireplaces, curtains and hangings. Avoid the use of cotton and inflammable ornaments.

2. Do not use cheap electrical equipment nor overload the system. Be sure connections are good.

3. Do not use lighted candles on or near the tree.

4. Be extra careful about smoking about the house during the holidays.

5. Remove the tree, gift wrappings and boxes from your home as soon as possible. Do not burn trees, boxes, or wrappings in open grates.

6. Know where your fire alarm box is! In case of fire turn in the alarm, wait until the department arrives and direct firemen to the scene.

ENJOY PARTY

With R. J. Ennis as Santa Claus and Fred Mather and James Welsh as chairmen, Company No. 4, Daly City Fire department, gave a successful Christmas party for 26 youngsters, Saturday night, December 16, at the Roosevelt and Peoria streets firehouse.

The grownups had a buffet dinner and watched Santa's distribution of gifts with as much enjoyment as the children.

Safe Driving Rules Urged for Holiday by Patrol Office

Anticipating unusually heavy traffic during the next two weeks, Highway Patrol Chief E. Raymond Cato today urged Daly City motorists to be extremely careful and observe all safety precautions during the holiday period to avoid accidents.

Both Christmas and New Year fall on Monday, he said, which will cause large numbers of local motorists to plan long holiday trips. New gasoline rations will be released December 22 and the duck hunting season still will be open.

Pedestrian accident hazards will be high because of holiday shopping in urban areas. Unfavorable weather conditions of fog, rain and slippery pavements will be contributing accident factors. Cato also predicted an increase in drunken driving.

"The Highway Patrol will do all it can to keep the highways safe but we have lost so many men to the armed forces that our efforts will be limited necessarily," he said. "The surest way for the individual driver to avoid accidents is to drive with extreme care or stay at home during the holiday period and conserve precious gas and tires."

Chief Bolger Gives Warning on Forgers

Chief of Police William P. Bolger today reminded Daly City merchants that it is in the rush of the holiday season that the check thief and the forger enjoy their easiest "pickings." Chief Bolger referred to the educational campaign conducted by the Daly City Police department and the U. S. Secret Service.

He said, "Now is the time for merchants to talk these matters over with their employees. Caution them to be more careful in accepting either government or commercial checks, especially from strangers. Have them initial any check they accept, and jot down some memo as to what was used for identification.

"This fixes responsibility and serves to remind one of the transaction. Make up your mind to save yourself from loss by knowing your endorser and requiring identification. Merchants should ask themselves this question, 'If this check is returned as a forgery, do I know where I can locate the forger and recover my money?' Unless the answer to that one is 'yes'—well, it's their money."

DALY CITY BAND TO PLAY AT KEZAR STADIUM NEW YEARS

For the sixteenth year, the Daly City band will play at the annual East-West Shrine game at Kezar stadium, New Year's day, according to Bandmaster George Brenner. Miss Donna Lee Camp will be featured as majorette and Joe Sabula has taken over the duties as drum major. Tipton Banks, former drum major, has gone to Washington, D. C.

Emile Lemoine was recently elected to be secretary of the band. A number of new members have joined, filling in vacancies left when former members went into the armed forces. Bandmaster Brenner reports that he recieves letters from the boys, who all want the band to hold a place for them until they return from the service.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Corporal **Edward J. Wuesterfeld,** 24, of Daly City, now in England undergoing a pre-combat training period of ten days with the 493rd Bomb group commanded by Colonel Elbert Helton of San Antonio, Texas, is preparing to take part in Eighth Air Force bombing attacks over Germany as waist gunner in a B-17 Flying Fortress.

Already highly trained by the AAF in gunnery at Las Vegas Gunnery school, Nevada, Corporal Wuesterfeld is now getting the benefit of the combat experience of veteran flyers. His course of instruction, conducted by men who have flown from five to seven months against the Germans, includes advice on how to conduct himself if he becomes a prisoner of war, how to administer first aid to his wounded comrades at high altitudes, how to contact Air-Sea Rescue service on his radio and what to do if his bomber crashes into the sea.

The Fortress group to which Corporal Wuesterfeld has been assigned is a unit of the Third Bombardment division, the division which was cited by the President for his historic England-Africa shuttle bombing of Messerschmitt aircraft plants at Regensburg, Germany.

Son of Mr. and Mrs. Charles Wuesterfeld, 132 Bruno avenue, Daly City, Corporal Wuesterfeld made his home with his wife, Mrs. Alexandria Wuesterfeld, at the same address. Before entering the AAF in June, 1943, Corporal Wuesterfeld, a 1938 graduate of Balboa high school, was a ships joiner for the Western Pipe and Steel company, San Francisco.

Private **Elmer E. Orner,** U. S. Army, is now in England with an anti-aircraft group. He is the son of Mr. and Mrs. Charles Orner, 125 San Diego avenue. A graduate of Jefferson Union high school, he took his training at Camp Haan, California, and Aberdeen Proving grounds, Maryland.

Private First Class **Raymond P. Vallarino,** Daly City, has been listed on the casualty lists as wounded in action. He was serving in the Mediterranean area.

Quillian E. Black, Daly City man serving with the Seabees, writes from somewhere in the Pacific to remind this newspaper that the Seabees will celebrate their birthday, December 28.

This will be the third anniversary of one of the "workingest, fightingest bunch of men" in the service, and it will be observed by 240,000 officers and men of the United States Naval Construction battalions.

Created just three weeks after the Pearl Harbor disaster, with an authorized strength of 3,000 the Seabees won their spurs at Guadalcanal and have been with the assault trops in every major American amphibious operation. They can now boast that they built the network of air and naval bases in the Pacific that pushed the Japs back 3000 miles; that they helped develop amphibious equipment and techniques that helped carry the day on the African, Sicilian, Italian and Normandy beachheads.

General Douglas MacArthur wrote in a letter to the Seabee chief, "The only trouble with your Seabees is that you don't have enough of them!"

Seventy-six per cent of the Seabees are now outside the continental limits of the United States, according to Black's letter of information about the anniversary.

A number of Daly City men are serving with the Navy's Seabees.

Private **Louis P. Craviotto** and Private First Class **George B. Schenone,** Daly City, are fighting in Italy with the 338th Infantry regiment which has been credited with killing and wounding many hundreds of Germans and taking nearly 700 prisoners in four weeks of cold, bitter fighting in the Gothic line.

Craviotto is the son of Mrs. Mary Craviotto, 682 San Diego avenue, and Schenone is the son of Mrs. Ida Schenone, 31 First avenue. Both are automatic riflemen.

They are called the "old timers," these men and officers of the 338th, part of the 85th "Custer" division in Lieutenant General Mark W. Clark's Fifth Army.

They are veterans of bloody Solacciano ridge and the Gustav line, Formia, the Gaeta peninsula and Rome. They are now standing at the approaches to the Po valley, a long haul from Minturno where the regiment entered the lines, last April 21.

"Marchons"—Let us march! is the regimental motto. Nobody marched through the Gothic line but the 338th got through.

The First battalion led in the capture of Mount Altuzzo, 3,000 feet of "straight up" rock, key to vital Il Giogo pass, major objective of the 85th division. This same unit staged an amphibious landing to occupy Sperlonga above Gaeta, last May.

Corporal **Franklyn H. Hatfield,** who is in Germany with the 823rd Tank Destroyers, has sent a large Nazi flag to his father, W. L. Hatfield, 373 Winchester street. Corporal Hatfield, a radio operator, took the flag in the capturing of Fort Eban Emael in Belgium. He has been in France, Belgium, and Holland since D-Day, after landing on the Normandy beaches.

Hatfield received a slight injury when the vehicle in which he was riding struck a land mine after entering Germany but after a few days rest he's back at the front again. He says the fighting at St. Lo when the First Army broke through the Nazi lines has been about as tough as any of the fighting over there. In his opinion the Seigfreid line isn't so tough and if the weather would just stay clear long enough for the air force to operate the war would soon be over.

Hatfield took his Army training at Lafayette college, Easton, Pennsylvania.

Private First Class **Ray Welsh,** son of Mr. and Mrs. R. J. Welsh, 553 Hanover street, was wounded, November 12, during the invasion of Leyte. Now at a hospital in the Philippines he writes that he is convinced it was a Jap sniper. He is making a good recovery, he reports to his folks.

A graduate of Jefferson Union high school, Welsh has been in the service for two years.

Marine Private **John Arthur Mosman,** 18, son of Mr. and Mrs. John A. Mosman sr., 232 Hillcrest drive, Daly City is currently attending the electrical maintenance school at the naval air technical training center, Ward Island, Corpus Christi, Texas.

A graduate of Jefferson Union high school, he is a former employee of the Standard Oil company.

Troop 141 Boys Clear Trail to Camp

Members of Boy Scout Troop No. 141 will usher at the East-West football game, New Year's day, according to Scoutmaster Joseph Straughan.

Last Saturday, December 16, a group of the boys spent the day clearing a trail at Camp Boy Joy. First building to be constructed on the site will be the crafts center, which will be used for general purposes until other housing can be provided. Just now, headquarters is a tent on a platform.

The boys of Troop 141 are now at camp. They will return, Saturday, December 23, after a 3-day outing.

Bank of America Declares Bonus For Employees

Employees of Bank of America were notified, last week, by President L. M. Giannini that the board of directors again declared a special Christmas bonus to officers and employees.

For employees with 12 months or more service the bonus is 40 per cent of the first $500 of the basic November salary, and 35 per cent of any portion in excess of that amount. Those with a shorter period of service will receive a proportionate credit based on number of full months employed.

This special bonus brings the total of bonuses voted the staff during the 12 months to approximately 90 per cent of one month's salary.

Bonus funds are intended for investment in Bank of America capital stock for the benefit of employees. However, as in previous years, the Christmas bonus may be withdrawn in cash by employees whose basic salary is less than $200 per month.

Entertain Members of Women's Civic Club

R. L. Crane Elected to Health Board Directors

At the annual meeting of the San Mateo County Tuberculosis and Health association, R. L. Crane jr., superintendent of the Jefferson School district, was elected to the board of directors.

President for the new term is Joseph S. Civelli, San Mateo.

Must Register Out-of-State Cars

War workers or other non-residents who have come to San Mateo county during 1944 with motor vehicles registered in other states were requested today by the local officials of the Department of Motor Vehicles to go to the nearest department office and determine whether they will be required to register their vehicles in California when the annual registration renewal season opens January 2.

Such persons were asked to bring registration certificates, evidence of title and other documents pertaining to their vehicles in order to determine whether they are in proper form. This action, it was stated, may save them considerable delay and inconvenience and, possibly, the payment of delinquent penalties.

Registration information may be obtained at branch offices maintained by the department in all the principal cities of the state and at all sub-stations of the California Highway patrol.

Announce Lifting Of Quarantine

Lifting of the state quarantine on mussels was announced, by Dr. Wilton L. Halverson, state director of public health. The quarantine, which was established May 1 and was to have expired October 31, was extended as a result of 12 cases of mussel poisoning with two deaths which occurred in San Mateo county in late October.

No state quarantine now exists on any shellfish except in certain areas where there are quarantines because of sewage pollution.

The quarantine lifted today was on mussels from the ocean shore of California, extending from the Oregon boundary to the Mexican border, and including the Bay of San Francisco.

Laboratory tests have shown the shellfish to be safe for human consumption, Dr. Halverson said, pointing out that shellfish become toxic from ingesting a minute organism, the gonyaulax, which is present in Pacific coastal waters, usually during only the summer months.

Our boys must keep on fighting—we must keep on buying WAR BONDS until victory is won. Keep on BACKING THE ATTACK.

Girl Scouts Help County Red Cross

Members of Girl Scout Troop No. 1 did their part to make Christmas a happier season for others, according to a report submitted, this week, by Mrs. J. S. Calvin, leader. They made six hundred ornaments for trees and 21 cartoon books for the Junior Red Cross in San Francisco; 35 dolls and 35 lapel ornaments for the San Mateo County chapter, American Red Cross.

The girls held their own Christmas party, Thursday December 14, at No. 5 firehouse, Oliver and Bellevue. On the decorating committee were June Prescott and Janet Reynor, while Alberta Smith took charge of refreshments. The members sang carols and exchanged gifts.

A court of awards was held during the afternoon. Housekeeper and "My Troop" badges went to Beth Ann Calvin; service bureau pins for 15 hours of work on Red Cross projects to Carley Carle, Joan Wimbley, and Alberta Smith; a white ribbon to wear with her service bureau pin to Beth Ann Calvin.

The troop will hold no more meetings until after the first of the year.

Daly City Theatre Offers Comedy

When "Maisie Goes to Reno," which she is doing these days at the Daly City theatre, it is the signal for another hilarious chain of events in the popular screen character's career. The current film with Ann Sothern again playing the irrepressible Maisie Ravier, is the best yet in the Metro-Goldwyn-Mayer series.

This time Maisie, on vacation from her job as a welder in an airplane factory—which she achieved in "Swing Shift Maisie" — finds herself in the Nevada city and mixed up with forgers as she comes to the aid of a young soldier whose wife is being victimized by the gang.

In the course of the story she meets a blackjack dealer, played by John Hodiak, and romance again comes to Maisie. She also becomes involved in all sorts of adventures in the course of righting things for the soldier and his wife.

Miss Sothern is her usual buoyant self, and Hodiak, who has become one of Hollywood's busiest young leading men since his work in "Song of Russia" and "Lifeboat," again displays the rough-and-ready he-man qualities which have so quickly endeared him to the moviegoing public.

An excellent cast surrounds these two, including Tom Drake, whom you last saw to great advantage in "Two Girls and a Sailor"; Marta Linden, Paul Cavanagh and Bernard Nedell, who handle the "heavy" roles to perfection; Donald Meek, Chick Chandler and Ava Gardner, one of M-G-M's most promising young starlets, who clicked in "Three Men in White."

Lectures Offered At Central YMCA

For the second successive year, the course of twelve lectures, "Youth and Marriage Today," sponsored by the San Francisco Council of Churches, the YWCA and the YMCA, will be offered at Central YMCA, 220 Golden Gate avenue, San Francisco. The lectures will begin Thursday at 8 p. m., January 11, 1945, and will continue on Thursday nights through March 29. For information concerning registration, call Walter Wyant at TUxedo 0460.

Noel Keys, Ph.D., consulting psychologist and a professor of the University of California, will again conduct the course. He will be assisted this year by Karl Bowman, M. D., superintendent of the Langley Porter clinic and professor of psychiatry at U. C. Medical school, Vere V. Loper, D. D., pastor of First Congregational Church of Berkeley, and Frederic Loomis, M. D., gynecologist and obstetrical specialist.

This course is modeled upon that given for several years at the University of California in response to urgent student demand. In five years, more than 9000 persons have attended these valuable and informative lectures.

AIR CARGO JOBS OPEN AS VOLUME IS STEPPED UP

United Air Lines calls for more men to keep vital war materiel flying

With the tempo of the war in the Pacific increasing daily, United Air Lines is flying the greatest volume of air cargo in its history.

In this vital war work, cargo handlers at the San Francisco Airport are doing a tremendous job of keeping this war materiel moving to all parts of the nation and war zones, the airline reports.

However, with the air transport job increasing as the war is stepped up, more cargo handlers are needed today at the airport.

In addition to the war cargo there is a great volume of domestic air express, mail and other cargo to be loaded and unloaded from Mainliners landing and taking off every hour at the San Francisco Airport.

Cargo handlers find working conditions at United Air Lines pleasant, and co-workers are friendly and helpful to new employees. Transportation to the San Francisco Airport is convenient—busses stop at the gate of United Air Lines. And the airline recently opened a new and modern cafeteria for its employees. Employee benefits include vacations with pay, insurance, periodic wage review, and a retirement plan.

To help out in this vital war cargo work, men are urgently needed today. Apply at United Air Lines, San Francisco Airport, Bayshore Blvd., at San Bruno Ave., or 421 Powell St., San Francisco.

CCPT Hold Meet At Burlingame

Objectives for the home service department of Seventeenth district, California Congress of Parents and Teachers, were outlined at a morning session in Burlingame high school, Thursday, December 14. Mrs. C. N. Underwood, department director, presented Mrs. B. D. Ralston of Redwood City, state director of extension, who spoke on "P.T.A. Ethics."

In reply to a question about P.T.A. responsibility toward juvenile problems Mrs. Ralston said, "Young people, while influenced by war hysteria, also reflect their home training. Home service in cooperation with schools should provide the information and inspiration youth needs." Further discussion during the open forum concerned financial methods, and consultation between units and school trustees for desired improvement projects.

Entertainment feature of the program was choral music by the Peninsula Lyric club of the junior college adult center. Mrs. John F. Kooistra of Burlingame is director, and Mrs. E. A. McAllister of San Mateo is accompanist.

In "A Christmas Story" Clara B. Dills, district home reading chairman and San Mateo county librarian, told how many charming Christmas festivals and customs have originated.

Business was conducted by Mrs. L. G. Evans, district president. Mid-year reports were emphasized, with an urgent request that units throughout the country return the completed forms no later than January 1, 1945. Replacing Mrs. George Woodside, resigned, is Mrs. Walter Lehigh, Daly City, ratified as association standards chairman.

Singing of Christmas carols, led by Mrs. J. F. Kooistra, concluded the meeting. A half-day session for executive board members is planned for Thursday, January 18, 1945, at the Burlingame high school.

AT JEFFERSON

The week before Christmas holidays is always a period of unusual activity and happy anticipation for our school children. Learning Christmas carols, making Christmas cards, and completing social units and scrapbooks, is sandwiched between essential daily lessons.

Eighth grade pupils have made San Francisco Bay area scrapbooks that are particularly fine in the selection and arrangement of pictures that illustrate important events in Bay region history. The cooperative scrapbook made by the class is a remarkable piece of work which will be described in detail another time.

On Monday afternoon of last week, the sixth grade children surprised Mrs. Rolph, their singing teacher, with a musical program they had especially prepared for her. The program was as follows: "The Star Spangled Banner," sung by the class; "Noel", solo by Leo Giannecchini; "Come All Ye Faithful", chorus by boys; piano solo "In the Cathedral" by Beverly McDonald; tap dance to "Yankee Doodle Dandy" by Ruth Durham; "Jingle Bells" sung by class; "First Noel" by girls; "White Christmas" by Kenneth Willbanks; "God Bless America" sung by Patrick Griffin; "Silent Night" by Kenneth Willbanks.

The girls had made bookmarks for their fathers and sachet bags for their mothers and these were presented at the Christmas Tree party. The Scouts exchanged gifts with each other. For refreshments there were oranges, candy, homemade cakes, and ice cream.

Mrs. America Meets The War - -

Whether you're preparing roast beef, turkey or perhaps a baked ham for your family's Christmas day feast, do your bit for victory by saving every drop of waste fat. No amount is too trifling to save—since thousands of articles, ranging from soap to munitions, need used fats for their manufacture. Strain the fat into a tin can and turn it in to your butcher. He'll give you 4 cents and two red points for every pound!

Holiday diners-out, too, can make an important contribution to the future welfare of all Americans. All restaurants are required to post the ceiling prices of their 40 most popular items. Be sure that you pay no more than the ceiling for your meal. Any overcharge should be reported to the price panel of your local War Price and Rationing board. Upon our vigilance in holding the price line will depend the kind of new start G. I. Joe will get when he returns from the battle line.

If you are looking foward to happier housecleaning and the purchase of a new "dust-catcher," here's an item of note. You will have to pay no more for an electrolux vacuum cleaner now than you would have before the war. The ceiling price for the model cleaner with nine attachments is $69.75. And remember that you don't have to buy additional articles, such as garment bags and crystals, in order to get delivery of a cleaner.

Mrs. America can now fulfill her ambition to own a brand-new electric iron without too much of a strain on her budget. Dollars-and-cents ceiling prices have been set for eighteen models—at levels at or below those prevailing in March, 1942. Each iron will have a tag attached stating the ceiling price.

Protection against the "red market" is being provided for Mrs. America by new grade-labeling requirements for meat. The "red market" is the practice of collecting red points and stamps for meat which is point-free. Now, however, the grade mark will be stamped on every second or third chop and on almost any piece of roasting or boiling meat weighing more than a few popnds. Red points may be collected only for grades AA (choice), A (good) and B (commercial). Grade C and D are point-free.

AT JEFF HIGH

By VERNA MORESCO

"Her Fatal Beauty"

That's the title of the play to be presented by the dramatics class. This second presentation by the class, under the direction of Barbara Schmidt, dramatics instructor will be given, January 26.

Those in the leading roles are Bob Olson, Jerry Plyer, and Audrey Kusber. Others in the cast include Shirley Schilling, Lillian Altman, Virginia Carlsen, and Bob Statton.

Block for the cards was made by Eugene Somers.

C. S. F.

Members of the C. S. F. last week received their pins. These pins are in the form of a torch with the initials SS on them.

Members who remain in the society for 6 terms out of 8, of which one must be in the senior year, receive a pin in the form of an Aladdin's lamp signifying life membership.

J. N. S.

At the last meeting of the Jefferson Naturalist society, presided over by President Ed Boyle, it was decided that proposed members need attend only two meetings and one field trip, instead of three meetings.

The second Sunday, January 14, following vacation, the club is planning a field trip to Moss Beach. President Boyle also announces that initiation for new members will be held following the field trip.

Blood Donor Campaign

The Junior Red Cross of Jefferson Union high school is now in the midst of getting more volunteer blood donors. A number of students have been going from door to door asking for volunteers. In order for Jefferson to get credit for these volunteers, cards are being given to the donors to be presented at whatever blood donor center they attend.

Christmas Party

Students of the home economics classes held a party in each of their classes, Thursday.

Refreshments, made by the students themselves, consisted of candy, cookies, and ice cream.

Also at each of the parties an exchange of gifts was made.

Instructor for these classes is Miss Nona Burns.

Senior Ball

Date for this year's senior ball is set for January 12, 8 p. m. at the Jefferson high auditoruim.

Bids for the occasion will be available from January 2 until January 11.

Each member of the graduating class will have ten bids to distribute.

Something New!

New addition to the Teen-Age club will be a "Wall of Fame" consisting of portraits and comical sketches of club members done by Don Van Kirk.

After these sketches have been completed the posers will sign them and they will be posted on the wall just outside the dance floor.

Art Club Nominates

At the last meeting of the art club, Wednesday, December 13, nominations for officers were held. The members selected Merilyn Huber, Franklin Hukari, and Eugene Somers for president, and Betty Pistohl for secrteary.

Make Own Christmas Cards

Students of the duplicating class, under the supervision of Mrs. Marjorie Reandeau, made their own Christmas cards.

The students designed, made the stencil, and printed the cards on a duplicating machine.

Those who made cards were Irene Anderson, Tom Brandt, Eva Claus, Frances Crossley, Kathleen Day, Barbara Ford, Lorelei Gamba, Hazel Hendrickson, Ruth Higgins, Rita Lozano, Marlyn Mosman, Mary Myers, Lorraine Pendola, Violet Sharp, and Lois Rich.

Pacific Offensive Causes Increase In Need For Workers

Naval personnel is passing through the Naval Advance Base Personnel depot, San Bruno, in ever-increasing numbers as the Pacific offense progresses. In response to this expanding activity, the Twelfth Naval District Labor board has issued an appeal for additional electricians, carpenters, painters, laborers, plumbers and chauffeurs. These men are needed to construct and maintain barracks and auxiliary buildings, and will be paid according to their skill.

The Marine Corps depot in San Francisco will hire laborers, general helpers, carpenters and packers to aid in the vital shipment of food, clothing, ammunition and other weapons of war to the fighting end of the supply line.

Men not in essential war work are urged to contact the Civil Service commission, 630 Sansome street, San Francisco, for further information on all Federal positions in this area.

NEW BABIES

Mr. and Mrs. Hayden Coggins, 79 Vendome avenue, are the parents of a son born, December 9, in San Francisco. **Mr. and Mrs. Robert Horan,** Daly City, have a baby, a son born, December 9, in San Francisco.

Handy with tools? This job may be up your alley

This is a good job. And a bit unusual in many ways because it's got just a bit more excitement and real he-man's "stuff" to it than most jobs. The work: Helper in Southern Pacific's big R.R. shops or roundhouses . . . working with skilled craftsmen on locomotives, rolling stock, other R.R. equipment. You don't need to be experienced—just willing. If you wish, you can learn railroading on the ground floor . . . learn a fine craft from men who know their business. You'll be part of a fine outfit . . . a company whose biggest job still lies ahead: carrying the war load for the huge Pacific offensive. Regular railroad wages. Fine pension plan. Walter J. Lehigh, 563 Crocker avenue, reported that some unknown party had taken a leather brief case from his parked car.

On December 18 A. Sereni, 179 Moltke street, reported that his 1932 Chevrolet sedan had been stolen. The theft was broadcast to the San Francisco Police department and the sheriff's office.

Officer Sunderman investigated a report December 19, from Frank Devlin, 469 Niantic avenue, that his fox terrier had been shot. Mr. Devlin took the dog to Lake Merced Pet hospital where it was found the dog had been shot through the stomach, and was not expected to live.

Christmas Brings V-Mail Increase

Christmas culminates the activity that has been taking place at all Navy V-Mail facilities, particularly at Pearl Harbor, where approximately 60,000 Christmas V-Mail greeting forms have been produced daily for distribution among service personnel.

With demands for this wartime substitute exceeding production capacity, millions of homes will receive these greetings which, although devoid of traditionally colorful designs, will convey the sentiments of the season.

The Navy urges that when the families and friends of the men overseas receive these V-Mail greetings that they reply by V-Mail and in this way contribute to lessening the airload.

Air transportation in the fighting area is threatened as each advance is made; and in the event mails are clogged, V-Mail, as usual, has priority over all other mail.

The program will feature the annual Christmas party and play. Honored Queen Miss Audrey Hartley will open the evening's schedule of activities at 8 p. m.

Thursday evening, December 14, the bethel gave a dinner party at the Claridge, Maiden lane, honoring Miss Hartley.

Three PTA Units Are Blood Donors

Three Parent-Teacher units of Daly City were represented by blood donors at the San Mateo County Blood Bank, last week, when eight members kept appointments there.

Mrs. Florence Hopman, made her eighth donation and thereby became a member of the blood bank's "Gallon Club." Mrs. Janet Delucchi gave blood for the third time. Two-time donors were Mrs. Sophie Evans, and Mrs. Frances Haussler.

Others in the group were Mrs. Anna Hanson, Mrs. Wilma Harju, Mrs. Hazel Marsh and Mrs. Gloria Erickson.

"All these women realize the importance of being blood donors, know what it means from a life saving standpoint in the cases of wounded servicemen," said Mrs. Hanzlik in making a new appeal today for additional blood donors at the county blood bank.

"Kiss and Tell" At Geary Theatre

George Abbott's cavalcade of laughs, "Kiss and Tell" with Lila Lee, Walter Gilbert and June Dayton in the feature roles, returns to San Francisco, playing at the Geary theatre, beginning December 25, for two weeks only.

Written by F. Hugh Herbert, staged and directed by Abbott, it is definitely the funniest show of many a season, an all-out, all-over, all-in-together-girls hit and in a world of woe, it shines like a gay, good deed.

The comedy, the company, the author and the producer have been greeted with unanimous praise by critics and public alike wherever "Kiss and Tell" has appeared. This frolicsome piece has been delighting audiences in four separate parts of these United States and is still playing in New York at the Biltmore theatre and in Chicago at the Harris. A London company opened in England recently.

David Conlin is seen as Lieutenant Archer; Gene Fuller appears as the earnest next-door-neighbor's boy, frequently in very hot water through no fault of his own, and David Garden plays the role of Raymond, whose 'know-it-all-ness' generally messes things up. The balance of the cast is excellent and includes Mary Keenan, Virinia Franke Davis, Kittie Cosgriff, Ellen Hall, Albert Vees, Larry Semon, William David, Irving Mitchell and Ernest Woodward.

Matinees the first week of "Kiss and Tell" at the Geary will be held, Wednesday and Saturday. There will be two performances New Year's eve, starting at 8 p. m. and 11 p. m. Final performance Saturday evening, January 6.

Cypress Circle Announce Whist Party

Cypress Circle No. 14, U.A.O.D., announces a public whist party for Wednesday night, December 27, at Colma Community Center building, Dunks street. A pleasant evening is promised by the committee. Playing begins at 8:30 p. m.

Chairman is Mrs. Rudolph Fellman and co-chairman is Mrs. Tom Schmidt.

MERRY CHRISTMAS

That homely poet of the sixteenth century, Thomas Tusser, who turned out a good bit of sage in lilting lines and epigrams which have become a permanent part of our philosophy as well as our language, left the world a simple Yuletide message in the now familiar couplet:

At Christmas play, and make good cheer,
For Christmas comes but once a year.

Down through the centuries, Christmas, in addition to its deep religious significance, has been a day of good cheer—a day of play and gayety and great excitement for children, and a day when men and women took off time from toil to enjoy the companionship of their friends and neighbors. It has been a day of brotherly love, a day of goodness, as well as good things on the table, for once a year mankind has sought to follow a little closer in the steps of the Master.

In many of our homes, gladness will be tinged with sadness on Christmas Day this year. Mothers, as they prepare the Christmas dinner, will pray silently that their sons will come back to them, and fathers will long for their boys and bury the hurt in their hears when they sit down to the table without them. For wives and sisters and sweethearts, whose loved ones are wearing G. I. uniforms, there will be something missing from Christmas. But there will be courage and strong hope, too—hope born of the sureness that the tide of battle has turned and that the end may not be too long delayed.

There is not the pall over Christmas this year that there was on that dark Christmas which followed so close on the tragedy of Pearl Harbor. Despite war's burdens, we should all have gratitude in our hearts that the defeat of our enemies, though not yet accomplished, has become a certainty, and that the day of peace has come much nearer. And we should be eternally thankful that America has been spared the fearful devastation and tragedy visited on other countries which have been laid waste by bombs and enemy troops. This year, far more than last, or any year since the outbreak of war, we have reason to be thankful—and reason to extend the Yuletide greeting, "Merry Christmas!"

WORK OR FIGHT

To the fighting man who today saw the life shot out of his buddy and stepped up unhesitatingly to take his place, all the furor about people at home walking out on their war jobs before the war is done, seemed scarcely conceivable. Most of the boys writing home have simply refused to credit the rumors.

Recent War Mobilization rulings calculated to return thousands of men to essential war work or put them in uniform must surely challenge G. I. confidence in the all-out backing of the home front. Millions of service men whose lives hang in the balance must surely wonder at their brothers, their fathers, their friends at home who turned their backs on the crying need for war tools.

To those men whose idealism about the folks at home is apt to be shaken by the apparent disregard for their safety and welfare, and by the seeming lack of backbone in men who gave up war jobs for personal betterment, we on the home front can say only this:

"The workers who pulled out of essential war work and brought about the 'work or fight' edict, were not unpatriotic pro-Fascists who don't give a hoot whether you come home from the war or who wins the final battle. They were fellows pretty much like yourselves, who were swept along in a wave of optimism on the early end of the war—an optimism which was not discouraged by government spokesmen.

"Some of them looked around the war plants where they worked and saw men and women fairly falling over each other's toes, producing guns and planes and ships. Some, perhaps, saw workers perhaps less competent than themselves in positions of authority, for the war plant organizations were new, the jobs to be done were gigantic, and nobody had ever seen anything like it in all history. So, being normal men, albeit thoughtless, each decided that one worker less couldn't possibly affect the total production, and they quit.

"That's about all there is to it. Except this: We believe the majority of those men, now that they know that war needs are critical and the victory depends on them individually as well as on you, will be back on their war jobs or in Uncle Sam's service beside you long before any official order forces them to. We know they regret any mistake, no matter whose, that makes tragedy on our battle fronts, and will try to make up for this one. We believe you can count on that."

How to roast a turkey without a roaster!

IT CAN be done—easily—and without basting, too! But first, remember that in buying a turkey it's wise to figure about ¾ to 1 lb. (drawn weight) per serving.

To truss the bird (thus keeping it in compact and attractive shape while roasting):

Fold wings back so the tips are caught in *back* of the bird, and tie tightly around the whole bird using strong cord—

Then, using another length of cord, tie firmly around the end of each drumstick just above the joint, press them close to the body, and tie them securely to the tailpiece (as shown above)

DOUGH BLANKET ROASTING

is the next step, and it requires neither roaster nor basting:

1. Have bird trussed and ready—
2. Place on shallow pan or metal tray (may go cater-cornered if bird is large)—
3. Have oven good and hot (450° F.)—
4. Mix 4 to 6 cups of flour (depending on size of bird) with *just enough* water to make stiff dough; knead slightly—
5. Roll out to ¼ to ½ inch thickness, large enough to cover bird completely—
6. Let edges hang loose—*don't tuck in* (if it stretches too thin at any point, patch with extra dough)—
7. Put immediately into hot oven—
8. Pour 1 cup water into pan; bake about 15 minutes for dough blanket to set.
9. Reduce oven heat to 325° F. and finish roasting—
10. Do not baste, but be sure to keep about 1 cupful of water in pan at all times—
11. Half an hour before serving time, break the hard dough blanket by tapping with a hammer; remove blanket, being careful not to break the skin.
12. To get desired color, increase heat if necessary and continue cooking uncovered.

Roasting time depends on the size of the bird; the larger the turkey, for example, the fewer minutes per pound needed for tender results. Turkeys weighing from 14 to 25 lbs. require about 4½ hours at 325° F.; from 8 to 13 lbs., about 3½ hours.

Large birds are "done" when tines of fork easily enter the thick part of the drumstick or when, after you've grasped the end bone of the drumstick the joints in the thigh break or move easily.

Current Daly City Theatre Attraction

Ann Sothern, who plays the title role, and John Hodiak, her newest leading man, in "Maisie Goes to Reno," her latest Metro-Goldwyn-Mayer starring film, which opens tonight at the Daly City Theatre. In her new, and most hilarious, adventure Maisie comes to the aid of a soldier's wife who is being victimized by a gang of forgers. Also in the cast are Ava Gardner, Tom Drake and Donald Meek, among others.

Notes From The Local OPA Office

(Editor's note: this column is prepared for The Record's readers by the local OPA board and is printed by this newspaper for the convenience of both the public and the board).

Did you pay more than the ceiling price for your car? If you did OPA will help you get back any charge over the ceiling price.

Tell your War Price and Rationing board:

1. IF YOU WERE REQUIRED TO PAY MORE THAN THE AMOUNT SHOWN ON YOUR CERTIFICATE OF TRANSFER—The total amount you paid for your car should be shown on your Certificate of Transfer. If you were required to make an additional payment or pay a bet—tell your War Price and Rationing board.

2. IF YOU DIDN'T GET THE YEAR OR MODEL OF CAR DESCRIBED ON YOUR CERTIFICATE OF TRANSFER — Each year and model of each make of car has a separate ceiling price. If you have been charged for a more expensive car than you got—tell your War Price and Rationing board.

3. IF YOU GOT AN UNREASONABLY LOW PRICE FOR THE CAR YOU TRADED IN—A reasonable trade-in allowance depends on the general condition and market value of a car, but such allowances as $1.00 or $2.00 are clearly unreasonable. If you have had to accept an unreasonable trade-in allowance—tell your War Price and Rationing board.

4. IF YOU WERE COMPELLED TO BUY "ON TIME" WHEN YOU OFFERED CASH—It is illegal to require that a used car be purchased "on time" or financed by any particular company. If the seller refused to sell you a car for cash—tell your War Price and Rationing board.

5. IF YOU WERE CHARGED A "WARRANTY" PRICE AND DIDN'T GET WHAT YOU PAID FOR—Dealers who maintain repair services or have written authority from OPA are allowed to charge 25 per cent more than the "as is" ceiling for warranted cars. This extra price is not to give the dealers a bonus but to compensate them for putting the cars they sell in good operating condition. A dealer who charges you the warranty price must give you a written "warranty" promising to stand half the cost of any repair necessary within the first 30 days or 1000 miles of driving. If you paid the warranty price to anyone but a dealer, or if you didn't get a written warranty—tell your War Price and Rationing board.

YOU WILL GET YOUR GASOLINE RATION REGARDLESS OF ANY PRICE ACTION TAKEN BY OPA.

TIE-IN SALES—Instances have been reported where cigarette sales have been suspended so that the cigarettes may be given "free" to only those customers who purchase some other item such as a meal, vitamin pills, or even a commodity such as book ends which are not under price control. All sales involving a forced combination as in this type of transaction are illegal tie-in sales. You may have found some dealers who insist that customers must buy something they don't want before they can buy something they do want. One way to stop such a dealer from taking this unfair advantage of scarce commodities is to report him at once to your local board.

Combinations in baskets or fancy wraps of various kinds of liquors may be offered by merchants to be purchased for Christmas gifts. This is legal in so long as the merchant is willing to sell you any one of the items in the combination at the ceiling price.

Exhibit Of Weaving

Once again the Golden Gate Weavers are holding their annual exhibition at the de Young museum, Golden Gate park. This bay area group, one of the most active in the vicinity, has combined in this year's show both the traditional and creative in textile designs. In the former category, outstanding are the lovely coverlets and tablecloths, replicas of Colonial patterns, woven in wool and cotton. Drapery, yardage, table runners, mats and napkins, towels, scarfs, purses, etc. constitute the "creative" section, in which the weavers have experimented, and in many cases most successfully, with new materials, colors and designs.

A special section is devoted to work done either by the group's members working in Army and Navy hospitals, or by the convalescents themselves under the weavers' direction. All of the articles here are made from salvage material such as scraps of leather and cork, old socks and stockings, dress remnants, hat braids, and even the linings of rubber tires. The extremely colorful purses, mats and scarfs woven by these men give the lie to their lowly origin.

This year over 35 of the Golden Gate Weavers are displaying their textiles in a most interesting exhibit which will remain at the de Young through January, 1945.

There Will Be Good Fishing At Lake

The old fisherman who built his shack so that he could fish from his front or back porch had little on San Francisco's disciples of Izaak Walton.

Denied gasoline to their favorite streams and lakes in Northern and Central California, they have induced the Bureau of Fish Conservation to plant 25,785 black bass fingerlings and 43,670 rainbow trout fingerlings in Lake Merced.

Thus when the fishermen tire of fishing in their front yard, San Francisco bay—they can soon go into their backyard, Lake Merced, and fish for freshwater bass and trout.
